Suzanne -- Sorry forgot to send this yesterday. The Staff attorney with the FS reviewed the strategy and had no comments. He then sent it on to several FS technical folks for review. I have not heard back from Ann Umphres on behalf of BLM and don't expect to hear from her before next week, if at all.

Richard --
Please send me the enforcement strategy that you sent to BLM and USFS, and let me know what language you recommend adding regarding the reactions/ feedback of BLM and USFS to our strategy.
Thanks,
Suzanne

Richard --

Thanks. Your first draft is what I had in mind, with the addition of some background regarding BLM's interest in the Bonita Peak site and a brief history of our work together with BLM.

Suzanne -- Attached is what Rebecca sent last week outlining what BLM, Ruth Welch, wants to discuss with the RA.

I have also attached my first draft of the points from our proposed enforcement strategy that Shaun may want to know.

Let me know if this is what you were thinking of?
